

Man I Need

Olivia Dean

Talk to me, talk to me 2x

COUPLET I

Looks like we're making up for lost time
Need you to spell it out for me
Bossa Nova on all night
It's like a type of alchemy

COUPLET II

Introduce me to your best friend
I can come and slot right in
A satellite ain't even that far
I, I kinda wonder where you are

VOORREFREIN

Already know I can't leave it alone
You're on my mind, mm
Already gave you the time and the place
So, don't be shy
Just come be the man I need

REFREIN

Tell me you got something to give, I want it
I kinda like it when you call me wonderful
Whatever the type of talk it is, come on then
I gotta know you're meant to be the man I need
Talk to me 2x (4x bij tweede refrein)

NA-REFREIN

Mm, talk to me, talk to me
Be the man that I need, baby
Talk to me, talk to me
Be the man that I need, need, need

Mm, talk to me, talk to me
Be the man that I need, baby
Talk to me, talk to me
Be the man, man, man, man, man

COUPLET III

I'd like to think you feel the same way
But I can't tell with you sometimes
So, baby, let's get on the same page
Stop making me read between the lines

VOORREFREIN | REFREIN | NA-REFREIN

Mm
Mm, mm
Mm, mm
