

Bryan Ferry - Let's Stick Together

And now the marriage vow is very sacred
The man has put us together
Now you ought to make us stick together
Come on, come on, let's stick together
You know we made a vow to leave one another never

Well, now you never miss your water 'til your well is dry
Come on now baby, give our love a try
And let's stick together
Come on, come on, let's stick together
You know we made a vow to leave one another never

Well, if you're stuck for a while consider our child
How can it be happy without it's Mom and Pop
Let's stick together, come on, come on, let's stick together
You know we made a vow to leave one another never

(Repeat)
