

John Mayer - Perfectly Lonely

Had a little love  
But I spread it thin  
Falling in her arms at night again  
I made a bad name for my game round town  
Tore out my heart and shut it down

Nothing to do  
Nowhere to be  
A simple little a kind of free  
Nothing to do  
No one but me  
That's is all I need

I'm perfectly lonely  
I'm perfectly lonely  
I'm perfectly lonely  
Yeaah...  
Cause I don't belong to anyone  
And nobody belongs to me

I see my friends around from time to time  
When the ladies let us slip away  
And when they ask me how I'm doing with mine  
This is always what I say

Nothing to do... etc,  
...Is it really hard to see?

I'm perfectly lonely... etc.

And his is not to say  
There never comes a day  
I take my chances and start again  
And when I look behind  
On all my younger times  
I have to thank the wrongs  
That led me to a love so strong

I'm perfectly lonely... etc.

That's the way x3  
That I want it... etc.
